About 270net Technologies

270net Technologies was founded in 2001, and is located in Frederick, Maryland. We develop web and mobile applications for Federal and local government, education, non-profits, and commercial entities.

Are you interested in releasing a Handle With Care / Law Enforcement Support app in your area? We would love to work with you. (The figures below are for estimate purposes only.)

- Initial, one-time setup: \$8K - \$10K
- Base monthly support: \$400
- Mobile app is supported on Apple & Android devices and is administered via admin website
- Customizations are available and welcome!

For more information please contact Andy Smith at andy.smith@270net.com, or 301-663-6000 x477. We look forward to speaking with you!
